Corazones in Action 2026 Impact Circle

Corazones in Action brings our community together to create meaningful change. In 2025, we proudly hosted our first Corazones in Action event with multiple grantees, expanding our impact across more local causes. In 2026, we will gather for one larger signature event with even more connection, fun, and collective giving.

Nominations take place online prior to the event through social media, where community members can lift up local nonprofits they care about. Three organizations are randomly selected from the nominations, and the final recipient(s) are chosen by a vote of those present at the event. Attendees are invited to reconnect with community and give what they can to support the cause.

A \$500 contribution makes you a Corazones in Action member and giving circle partner, with special recognition at the event and the opportunity to deepen your impact!

Corazones in Action 2026 Impact Circle Add-On

This one-year commitment of a \$500 gift supports the signature Corazones in Action event and help cover the costs of hosting the Corazones in Action giving circle as well as the nonprofit grants. As part of your partnership, you will receive:

- Name or company logo featured in Corazones in Action social media marketing
- Special recognition at select Corazones in Action events
- Five votes, regardless of attendance
